Ron

Letter hits all the right issues and the tone is just right.

Looks fine to me.

Thanks.

Subject: Letter to Cabot CEO

Enclosed is a revised version of the letter to the Cabot CEO. Please offer further edits and comments as soon as possible so we can share with the Administrator. Am adding OECA to the distribution since Cabot is a potential PRP.

Once we're set on the draft, we can resolve who will sign it.

Robert M. Sussman
Senior Policy Counsel to the Administrator
Office of the Administrator
US Environmental Protection Agency
